

Harper Creek Community Schools Learning Loss Plan funding 98c, 11T and Essers III

Purpose: Provide K-8 six week session of supplemental instruction for students who are academically and socially emotionally behind in learning. We will use our achievement and behavior data to prioritize the needs of our students in combination with teacher recommendations based on classroom assessments. Invitations will be sent out in February 2023 to parents and students will be registered for summer extended learning. The learning focus will be identified priority academic and social emotional learning standards. See Schedule below
