### OUR LEARNING SNAPSHOT:

**READING:** This week for reading, we started workshop. The students are working on rhyming, making a book, sight words and building sentences. While the students work independently, I am pulling students to read with me and work on CVC words!

**MATH:** We have been focusing on numbers 1-20 and solving simple equations. The kids had fun making patterned necklaces out of Froot Loops!

**WRITING:** We are working on writing a complete idea and adding details to our pictures! **KEEP UP THE GREAT WORK!**
